3.3.9. The Promoter reserves the right to give preference to entries from overseas clubs or clubs not affiliated to Swim England, where the pre-booking of flights is required to travel to and from the Meet. All entries must meet the published qualifying times, and proof of times may be requested. Any such application must be notified before 12th October 2026 by email to the Meet Promoter at open.meets@gcsc.co.uk. The Promoter recommends that no travel or accommodation arrangements are confirmed until the Club receives written confirmation of entry. Guildford City cannot be held responsible for any costs so arising.

3.4.2. No Time entries will not be accepted.

Entries from clubs who have repeatedly and systematically failed to adhere to Meet Conditions from previous GCSC meets, or those with an outstanding balance, may be rejected at the Promoter's discretion. 3.7. **Reserve list, Time Trials and additional entries**

3.7.1. If the meet is oversubscribed, a **reserve list** will be operated. Only swimmers whose original entry into an event has been scratched will be eligible for inclusion on the reserve list for that event.

3.7.2. After all entries received before the Entry Closing date have been processed, if the Meet is undersubscribed the reserve list will be opened to swimmers meeting the qualifying times in the wider swimming community.

3.7.3. Swimmers can request to be placed on the reserve list by emailing open.meets@gcsc.co.uk after the publication of the accepted entry list, and **before midday Monday 2nd November 2026.**

3.7.4. Should opportunities to participate arise for reserve list members, acceptance of swims will be at the Promoter's discretion and will operate on the same basis as original entries.

3.7.5. The Promoter reserves the right to allow Time Trials or additional entries that are slower than the qualification times, if the meet is not full after the closing date for the Reserve List. Time Trials or any additional entries will be charged the same entry fee as all other entries.

3.7.6. The Promoter retains ultimate discretion and authority over the management of the reserve list, Time Trials or any additional entries.

3.7.7. **Successful reserve list applicants will be informed as soon as possible after their participation has been confirmed, and no later than 15 minutes after the start of the warm-up for the corresponding session**

4. **PRE-COMPETITION**

4.1. **Officials**

4.1.1. As with all meets, this meet can only take place with enough Licensed Officials to satisfy the conditions required to run a meet licensed at this level.

4.1.2. **All clubs submitting entries are requested to assist in the running of the meet by supplying details of any Licensed Officials who are willing to assist at this Gala.**

4.1.3. Officials should please sign-up directly using the following link: https://swim-meet.com/Availability/?m=9350

4.1.4. Too few Licensed Officials may result in the Promoter being required to take measures to safeguard the running of the meet. Such measures might include reducing the number of lanes and scratching previously accepted swimmers or downgrading the level of the meet, thereby removing the opportunity for swimmers to use times for qualifying for regional championships.

4.2. **Sign-out and withdrawal**

4.2.1. This Meet will be run on a **SIGN-OUT basis.**

4.2.2. To avoid empty lanes and to promote good racing and fair competition for all swimmers, **strict withdrawal conditions** apply.

4.2.3. Any swimmer who can no longer (or no longer wishes to) compete in an event **MUST** withdraw**.**

4.2.4. A Withdrawal Form will be available after the Entry Closing date at: https://gcsc.fillout.com/gcsc-l2-november-2026-withdrawal

4.2.5. Withdrawals must be submitted using the Withdrawal Form, or in person at the Announcer's desk, **before the start of the session** in which the swim would have taken place.

4.2.6. Any withdrawals after the start of the session must still be notified in person at the Announcer's desk and will be recorded as **LATE WITHDRAWALS.**

4.2.7. Any swimmer who does not withdraw and does not compete in their designated race will be recorded as a **NO SHOW**. It is the responsibility of swimmers to report to the marshalling area in enough time for each event. GCSC cannot be held responsible for any swimmer missing the start of their designated race.

4.2.8. At the Promoter's Discretion, any swimmer who is recorded as a NO SHOW or a repeated LATE WITHDRAWAL may be **withdrawn by the Promoter for any or all subsequent events.** No refund will be issued for any such withdrawals.

4.2.9. Repeated failure of any club to follow the withdrawal conditions will be looked upon unfavourably.

4.2.10. In particular, entries into future GCSC meets from clubs who have previously systematically failed to withdraw swimmers will receive lower priority when accepting entries.

4.3. **Poolside passes**

4.3.1. Poolside passes are mandatory for all coaches, team manager or chaperone to access to the poolside. **There will be no access to the poolside for any coach, team manager or chaperone from a visiting club without a poolside pass.**

4.3.2. Clubs must ensure there are enough adults on poolside with valid passes and qualifications to provide adequate supervision in accordance with Swim England's Team Manager, Coach and Chaperone Policy. See section 5.2 for further details.

4.3.3. Poolside passes will be available at no cost, **but by default will not include catering and refreshments before or between sessions.** For catering options, please see 4.4.

4.3.4. We will be using the Swim England Poolside Pass system, that is used for National competitions, for coaches, team managers and chaperones.

4.3.5. **All coaches, team managers and chaperones must be registered with Swim England and have recorded their relevant qualifications in the Swim England systems.**

4.3.6. **Chaperones:** If a chaperone pass is required, the club (Chairman/Secretary) needs to email Martyn Hudson at Swim England (martyn.hudson@swimming.org) with the members details (name and number) and request they be added to the list of Chaperones. Once added they remain on the list until removed.

4.3.7. **Coaches, Team Managers, Chaperones:** The pass can be accessed through the member's individual page on the Swim England website. Log on using the following URL https://www.swimmingresults.org/member_options/ and enter your Swim England membership number and password to access your membership page. Once onto your individual membership page, select the option "Purchase accreditation for events click here." You will then see a list of available competition passes available through the on-line pass system. Select the **Swim England DBS, Safeguarding, qualification check** pass for the period covering the meet and print your pass at home. If any of the requirements are in red, you must correct the data in the relevant Swim England system before you can print your pass.

4.3.8. **The pass must be downloaded and printed at home and brought with you to the meet**. We will provide wallets and lanyards.

4.3.9. We would recommend that Coaches, Team Managers and Chaperones apply early for passes to ensure any missing data is provided ahead of the meet. **No-one will be admitted to poolside without a pass.**

4.4. **Catered passes**

4.4.1. Poolside passes will not include catering and refreshments by default.

4.4.2. Catered passes can be purchased in advance by clubs for Coaches, Team Managers and Chaperones at a cost of £25 per day, or £45 for the weekend.

4.4.3. Catered passes should be requested as part of the submission of entries and payment will be charged at the same time as entry fees.

4.4.4. **Any late requests for catered passes after the submission of entries must be emailed to open.meets@gcsc.co.uk, before Friday 6th November 2026.**

4.4.5. Catered passes include breakfast before the first session each day, a hot lunch between the first and second session of each day, and poolside fruit and sweets.

4.4.6. Catered passes will be allocated by club and will be checked at each meal.

4.4.7. Catered passes cannot be shared between Coaches and Team Managers for a single meal. Sharing will be allowed across multiple meals. For example, Coach A could use a club's catered pass for breakfast, and Coach B could use the same pass for lunch, but Coach A and Coach B could not both use the same pass for breakfast.
