

Size Guide

You will need a pen / pencil, piece of paper and a measuring tape.

BUST (A)

Wrap the measuring tape around the widest part of the bust.

WAIST (B)

Wrap the measuring tape around your torso at the smallest part of your waist. Typically this is an inch or so above your belly button and is also known as the natural waistline.

HIPS (C)

Wrap the measuring tape around the widest part of the seat.

UPPER BODY (D)

Wrap the measuring tape around the length of your torso.

Make a note of your measurements, then look at the Size Guide, to find your best size.

Size Guide

Runs small

Hint....Sizes run small, so if you are unfamiliar with the SHOALO brand please consider buying a size larger e.g. normally wear a 32, you may find a 34 a better fit

If in between sizes, please opt for the larger size
